# Inspire Your Audience With Wow & Know-How

## Ryan's Most Popular Programs (Keynote, Virtual, Workshop, or Consulting)

### The Program: **Digital Workforce: Strategies to Connect, Work, and Lead Effectively Across Remote (and Hybrid) Teams**

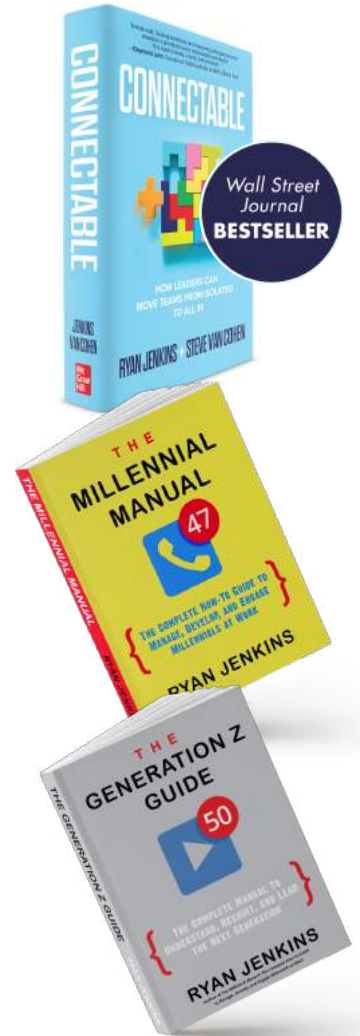

Ubiquitous connectivity, digital technology, and shifting generational expectations have all swiftly contributed to the growing number of people working from home.

Leading a remote workforce requires a different set of tools to sustain relationships and maintain productivity across a team. The ways of working in the past have become liabilities. The new age of work requires a new age of working and leading.

Learn the tactics and tools for organizations and leaders to boost engagement, create unity, and extend company culture among a remote workforce.

#### Attendees Gain...

- Insights into trends shaping the future of work.
- Techniques to extend company culture to remote workers.
- Tactics and tools for effectively working and leading remotely.
- Skills to stay on task, increase productivity, and effortlessly collaborate remotely.
- Ability to keep remote workers unified, productive and engaged.

#### The Proof:

*"Every leader, manager and team needs to hear Ryan!"*  
~Patrick Lencioni, NYT Bestselling Author of *The 5 Dysfunctions of a Team*
